Harnew Family,

I would like to welcome everyone to the 2019-2020 school year. The Harnew staff is very excited to be working with you this year. Working as a partnership between home and school we can ensure that your child receives the best education possible. Involved and engaged families foster student success, so I want to thank you in advance for all of the time you will be dedicating to be there to support your child's education. You are not alone in this journey, the Harnew staff works very hard to ensure your child receives a rigorous education.

Over the summer, Harnew earned a PLATINUM recognition for our implementation of Positive Behaviors, Interventions, and Supports (PBIS). Platinum is the highest honor a school can earn for using PBIS to nurture a positive educational environment. Our team believes that students learn best when they feel safe, know expectations, and interact socially in a positive manner. The Harnew staff teaches to high expectations and models positive behaviors. The "Jungle" theme this school year centers around being Respectful, Responsible, and Safe.

As a new school year begins, I would like to welcome the new families and new staff to the great Harnew Community. Also, a big thank you to the 2019 PTA for donating a "Buddy Bench" to the Harnew playground. Students can sit on the bench when they need someone to play with and after school hours everyone can enjoy a spot to relax! We are very fortunate to have such a fantastic community that embraces education and cares for one another. I look forward to a great 2019-2020 school year. Be Respectful! Be Responsible! Be Safe! Be a HAWK!

Go Hawks!

Mr. Gill
