April 4, 2019

Dear 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade Parents or Guardians:

We will be administering your child the Illinois Assessment of Readiness (IAR) beginning April 5 and ending by April 18. Students will not be tested every day. Please refer to the Harnew homepage for additional schedule information. Students in grades 3, 4 and 5 will be completing 2 tests in English Language Arts and 3 tests in Mathematics. These assessments correspond with what your child is learning in the classroom and with the performance expectations of the Illinois Learning Standards in English Language Arts and Mathematics.

You can help your child do his/her best on the test by:

- Making sure, if possible, that your child attends school on the days of testing
- Making sure that your child arrives on time to school the days of testing
- Making sure your child gets a good night's sleep the night before testing
- Providing a nutritious breakfast the morning of testing
- Letting your child know that you have confidence in his/her ability to do his/her best
- Advising your child not to worry about the test- Just do the best they can

Please call your child's teacher if you want additional information or have further questions about these tests.

We look forward to sharing the IAR results with you next fall.

Yours in Education,

Anthony Gill  
Principal

Laura Rogers  
Assistant Principal
